

REMER

23/24

MIRRORS + SHAVING CABINETS

START BUILDING YOUR DREAM MIRROR  
WITH REMER TODAY.

Welcome to Remer, where we believe that the spaces we inhabit should inspire us every day. That's why we design and create innovative, timeless mirrors and shaving cabinets that provide solutions, elevate your daily routine and make you feel at your best.

# REMER

State-of-the-art design and technology.

Our journey began in 2015 when we noticed a lack of LED mirrors in the Australian market. Since then, we've become an industry leader and are proud to offer a wide range of premium mirrors and shaving cabinets, designed specifically for the Australian market and built to last.

At Remer, we're driven by a passion for creativity, collaboration, and customer satisfaction. We believe in taking ownership, honouring commitments, and treating everyone with honesty and respect, because we know that's what our customers deserve.

We invite you to discover how our mirrors and shaving cabinets can enhance your space and help you create a home that truly inspires you.

All prices are Recommended Retail Price (RRP) including GST. Prices may vary depending on location and are subject to change or correction without notification. All information is provided on an E&OE basis (Errors and Omissions Excepted). There is a huge amount of very useful information in this brochure and there is more than likely an error, big or small, somewhere. Images in this brochure are shown with accessories and other furniture which is not included in the price.

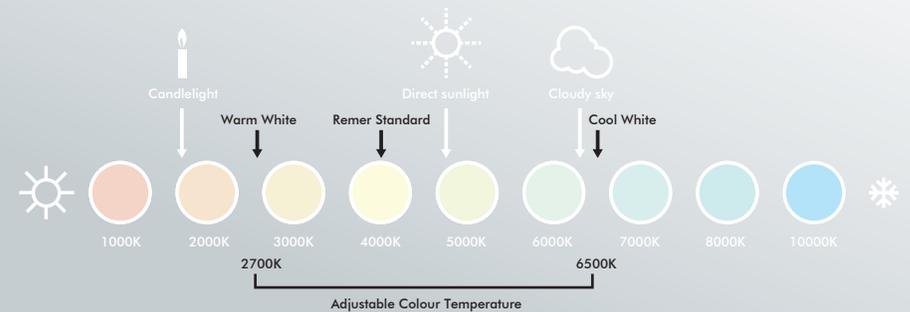

# TECHNOLOGY

At Remer, we believe that your daily routine should be both functional and beautiful. That's why our illuminated mirrors and shaving cabinets are a perfect blend of lighting, modern technology, and sleek design.

With features like demisters, magnifiers and Bluetooth speakers, our products are both visually appealing and incredibly convenient. With just a simple touch, you can activate these functions and make your daily life a little more comfortable and hassle-free.

## LED LIGHTING

Our LED lighting technology allows for customisable lighting options, including adjustable colour temperature, standard lighting, and now on select models, the ability to have lighting options of your choice, with standard, cool, warm and adjustable colour temperature available. With so many options, you can achieve the perfect lighting for any occasion or grooming routine.

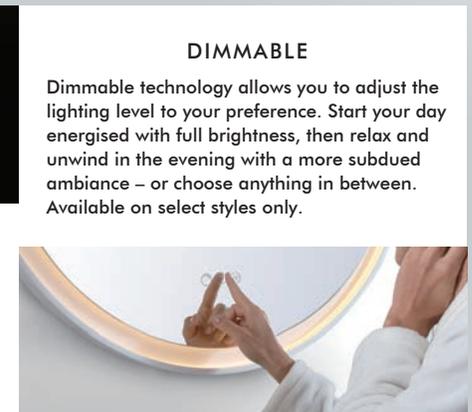

### DEMISTER

One of the more luxurious features of Remer mirrors, the Demister feature, is the perfect solution to a steamy bathroom that often compromises the quality of your mirror. With a touch of a button before your shower, you can bask in the heat of your bathroom while still having a clean, clear mirror for your morning routine. Every detail has been considered in the making of Remer products, the Demister feature ensures a fog-free mirror with a 1-hour auto cut-off available on select models – see individual model for details.

### MAGNIFIER

Upgrade your grooming and makeup routine with a built-in or stand alone magnifying mirror. A ring of light surrounding the mirror eliminates overhead shadows and provides perfect lighting for flawless results every time.

### DIMMABLE

Dimmable technology allows you to adjust the lighting level to your preference. Start your day energised with full brightness, then relax and unwind in the evening with a more subdued ambiance – or choose anything in between. Available on select styles only.

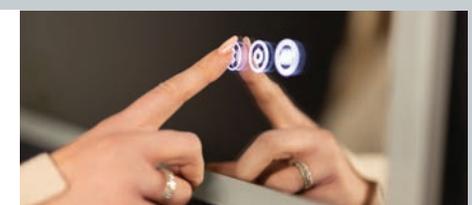

### BLUETOOTH SPEAKERS

Experience the power of music as you connect your phone seamlessly to the in-built speakers and immerse yourself in your favourite playlist. Using Remer's Bluetooth technology, you can elevate your bathroom into a personalised oasis that reflects your individual style and taste. Discover the ultimate convenience and indulge in a new level of luxury with Remer's Bluetooth mirrors.

### INFRARED SENSOR

Activate lighting and control colour temperature effortlessly with Remer's touchless infrared sensor technology. Available on select styles only.

### TOUCH SENSOR

Experience the ease of control with Remer's touch sensor technology. Simply touch to control and adjust your mirror and lighting without any complicated controls.

Features vary by model - check specific models for details.

## ALUMINIUM FRAMES

Elevate your mirror game with Remer's custom-made aluminium frames. Our frames come in a variety of elegant colours, perfectly complementing your home decor, fixtures, and furniture. Choose from our wide range of mirror styles and create the mirror of your dreams with Remer.

## PACKAGING

At Remer, we believe that the packaging of our products should be just as innovative as the products themselves. We use quality honeycomb board to provide compression, strength, and rigidity, effectively protecting the glass and electronic components during transportation. Our intelligent packaging design not only ensures that your product arrives intact, but also reduces our carbon footprint. Trust us to deliver your Remer product in safe and sustainable packaging.

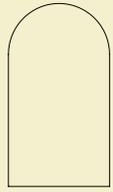

Introducing our new and exciting bespoke collections, which are completely customisable to your requirements. Within these four Series, you'll see that each has a basic design or shape. However, within that design, you'll have the ability to customise several features of the mirror to make it uniquely yours.

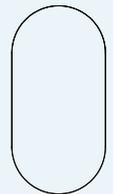

# A SERIES

**SIZE**  
500mm x 900mm

See page 40-41

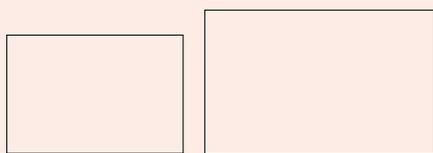

# O SERIES

**SIZE**  
450mm x 900mm

See page 42-43

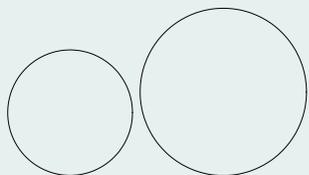

# R SERIES

**SIZE**  
900mm x 600mm (Portrait or Landscape)  
1200mm x 750mm (Portrait or Landscape)

See page 44-45

# S SERIES

**SIZE**  
600mm x 600mm  
800mm x 800mm

See page 46-47

To customise your mirror, simply select the options that best fit your needs and preferences from our list of available options. Choose your desired shape and size, whether you prefer a framed or frameless design. Explore various coloured frames, captivating lighting colours, and take advantage of our selection of add-on features, such as Bluetooth connectivity, or Demister technology. Once you've made your selections, we'll assemble your customised mirror locally in Melbourne, just for you.

# LED SHAVING CABINETS

Storage and advanced technology,  
the perfect balance of realism and artistry.

· Remer Brochure 01/07/2023 - 30/06/2024.  
· Sizes are in mm and nominal and should be checked prior to installation.  
· Please note all LED Products must be installed by a licenced electrician in accordance with local regulations.  
· Actual colours may vary so please check samples in store before ordering.  
· Made-to-order cannot be cancelled, altered, exchanged or refunded.

**SOFT CLOSE HINGE**

Discover the epitome of elegance and tranquility in your bathroom with our soft-close hinge system, designed to provide a smooth and silent close, reducing noise and eliminating door slamming, while adding a touch of refinement.

**DOUBLE SIDED MIRROR DOORS**

Unlock a new level of convenience with our double-sided mirror doors, enabling you to effortlessly use the internal mirror to view the back of your head, providing a seamless grooming experience. Available in selected models only.

**RECESSABLE**

Embrace the convenience of touch sensor technology and pilot hole integration, allowing our shaving cabinet to be effortlessly recessed into walls, freeing up space and seamlessly blending into your bathroom design.

**ADJUSTABLE GLASS SHELVES**

Indulge in the art of precision with our carefully crafted integrated rail slide system, allowing you to adjust tempered glass shelves to the millimetre, creating a clean and minimalist aesthetic without the visibility of pre-drilled shelving holes, seamlessly blending into your space with effortless precision.

**CONCEALED WIRE TECHNOLOGY**

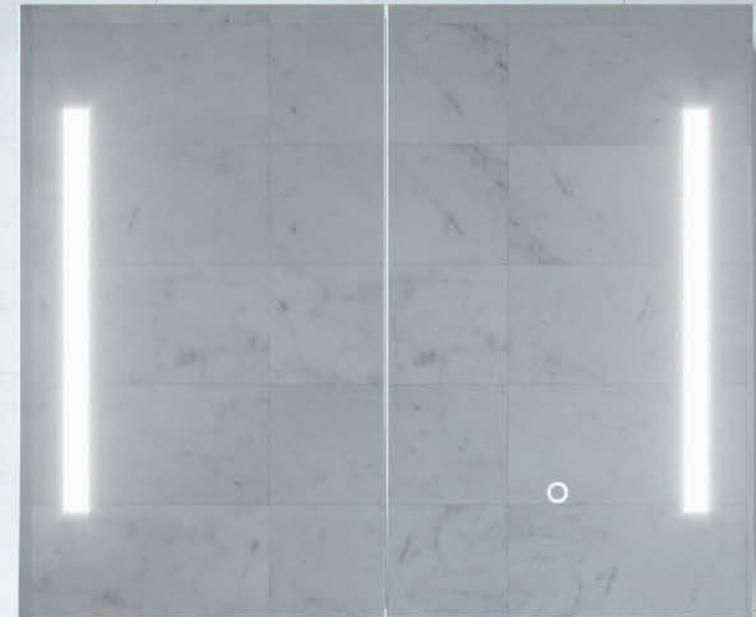

Experience the seamless integration of advanced technologies (LED lighting, demister, and touch sensor) within the doors of our shaving cabinets, maintaining its aesthetic interior look, while the absence of wiring connecting the doors to the carcass allows for easy removal during installation and maintenance.

# AMBER

Transform your bathroom into a work of art.  
The AMBER series invites you to indulge in a mesmerising symphony — a serene melody of artistic expression and functional design.

## FEATURES

- LED lighting (CCT: 6500K – daylight)
- Demister on all doors
- Soft close
- Touch sensor
- Concealed wire technology
- Finish: Silver aluminium
- Adjustable glass shelves
- Double sided mirror doors

## AMBER

Clean, elegant lines and refined finishes intertwine with utility-enhanced innovation reminiscent of the Bauhaus philosophy. Your AMBER LED shaving cabinet captures a sense of the openness of breathtaking vistas. Regardless of your bathroom's size or space, boundless relaxation, tranquility and peace await.

# BLANCA

Celebrate elegance with the exotic charm of our Moroccan-inspired BLANCA LED shaving cabinet series — a sophisticated expression of fluidity that demands attention. Its stunning arched style echoes the call of faraway destinations, beckoning you to embrace wonder and restorative surrender within the realm of your own bathroom.

## FEATURES

# LED MIRRORS

State-of-the-art design and technology.

## FEATURES

### BLUETOOTH

Enhance your bathroom experience with sound. Choose the playlist that sets the mood for the day and connect straight from your phone to the Bluetooth mirror.

The in-built speakers project the sound to surround your entire bathroom.

\*Available in selected models only.

### ADJUSTABLE COLOUR TEMPERATURE

Having the ability to change the light colour from warm to cool, you are able to mimic the lighting of any occasion that you are attending, and apply makeup accordingly.

### INFRARED SENSOR

Touchless infrared sensor to activate lighting and control the colour temperature. \*Available in selected models only.

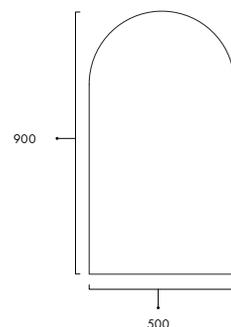

### DIMMABLE

Dimmable technology allows you to adjust the lighting level to your preference. Start your day energised with full brightness, then relax and wind down in the evening with more subdued ambiance – or choose anything in between. \*Available in selected models only.

### MAGNIFIER

Precision creates perfection. Magnify your face to effortlessly groom and apply makeup. With a ring of light that surrounds the built-in Magnifier, you'll have no more overhead shadows. \*Available in selected models only.

# MANUFACTURER'S WARRANTY

At Remer Pty Ltd (Remer), we pride ourselves on supplying products of a high industry standard and quality. Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

PRODUCT CATEGORY	WARRANTY PROVISIONS
<b>MIRRORS</b>	5 year replacement parts or products for domestic use 1 year replacement parts or products for commercial use  Labour is not included
<b>SHAVING CABINETS</b>	5 year replacement parts or products for domestic use 1 year replacement parts or products for commercial use  Labour is not included  Door alignment is not included

- The Product Warranty Period commences from the date of purchase
- Remer will replace or repair, at its sole discretion, the defective product, or parts thereof. Replaced products become Remer's property.
- Remer is not responsible for the labor and rectification costs related to the repair or replacement of the product.
- Installation is acceptance of our products. Installation of faulty, warped, chipped, or damaged products will void our warranty. Any claim for warped, chipped or damaged products must be made within 48 hours from receipt of product.

## EXCLUSION

This warranty does not cover the following:

- Inability to provide Proof of Purchase and/or Certificate of Electrical Safety (COES) when required by Remer;
- Products that are not installed by a Licensed Electricians and/or tradesperson in accordance with local regulations;
- Material variations. There might be natural variations in the color, pattern, and finish. Products may be slightly different from the ones featured in photos;
- Loss or damages caused by a defective product, and any indirect consequential or other loss or damage, subject to your statutory rights;
- The cost of pickup and delivery
- Loss or damages caused by a defective product, and any indirect consequential or other loss or damage, subject to your statutory rights;

## CONDITIONS FOR ON-SITE WARRANTY SERVICE CALLS

Remer will charge a service fee for each visit to an installation by its authorized Service Agent where it is determined that the fault is due to poorly executed or unlicensed installation work, or where the product is not a genuine Remer product or where the product is outside the warranty period. This may be paid in advance by credit card over the phone to a Remer authorised Service Agent attending the site and will be refunded if the Remer product is found to be at fault. Remer requires adequate access to products, fittings, and fixtures to undertake on-site warranty service calls.

## HOW TO MAKE A CLAIM

In order to make a claim under the warranty, please visit [www.remer.com.au](http://www.remer.com.au) to register your claim by submitting an Online Warranty Claim Form with all required information and documents. Remer reserves the right to change these terms and conditions at any time without prior notice and the right of final decision on the interpretation of these terms and conditions. For more information, please visit [www.remer.com.au](http://www.remer.com.au). Thank you for choosing Remer.

**For other resources including cleaning and installation instructions, please visit [www.remer.com.au](http://www.remer.com.au)**

Note:

- Remer Brochure 01/07/2023 - 30/06/2024.
- Sizes are in mm and nominal and should be checked prior to installation.
- 5 years replacement warranty. Labour and door alignment is not included.
- Please note all LED Products must be installed by a licenced electrician in accordance with local regulations.
- Actual colours may vary so please check colour samples before ordering.
- Made-to-order products cannot be canceled, altered, exchange or refunded.
